Hi everyone,

We hope you all enjoyed the bank holiday weekend and are all keeping well. Hopefully you are all connected to Class dojo now and we can stay in touch through the messaging option available. We look forward to hearing from you and seeing some of the work you have done if you want to share it with us.

You can start Week 4 today;

- Let's Talk Literacy Unit 17
- Handwriting Today Pages 62 & 63 Yy
- Tables Book - Week 29
- English In Practice - Continue doing a section every day.
- Busy at Maths: Revision page at the end of each chapter.
- Free Writing - Choose whatever you want to write about...if you have done any baking or cooking this week you could try writing the recipe.
- Journal: Continue writing in your journal everyday as we were doing in class, it will be great to hear what you all got up to during this time
- SESE: Learn about recycling here <https://www.youtube.com/watch?v=VIRVPum9cp4>
Follow the recycling journey of different materials here <https://repak.ie/for-home/schools/school-videos/> The Repak website has lots of information on recycling <https://repak.ie/for-home/what-can-i-recycle-2/> After you have watched these videos you could design three posters for the three types of bins we use at home
1. Recycling Bin 2. Compost Bin 3. Landfill Bin.
List some of the things that should go in each bin and make it as colourful as possible.

I hope you are tuning into RTE's Home School Hub every weekday at 11am - 12pm. Also have a look at TG4 at 10am every weekday at 10am for some lessons as Gaeilge if you can.
