

1st Class

Week 6: May 18th-22nd

Hi everyone!

I hope you are all well and enjoying the nice sunny days. It is nine weeks since we have been in school together and we are missing you all and your happy faces so much! That's why Class Dojo is such nice way to keep in contact with each other and share your photos, art, toys or messages with your friends. It's a great way to tell a joke, share a nice comment to your friend, show off what you are doing or just make someone smile with a nice piece of news. Class Dojo doesn't involve any extra schoolwork, it's just a nice platform to keep in touch with teachers and friends while we are all at home.

If you haven't set it up yet, I will be sending another invite to you today (Monday) and if you just click on the link it will bring into the website. Don't forget you can download the Class Dojo app which is very user friendly and convenient too!

This week you should be working on Week 6 of the plan which I sent to you in your home pack. Here is the list of work for this week just to remind you:

- Master Your Maths p. 62 and p. 63
 - Tables Champion p. 32 and 33 (Check Up 3 and 1-, -2)
 - Explore With Me p. 67 (Examining a Map) and p. 68 (Exploring Slopes!)
- (*Log onto www.edcolearning.ie and use the Username: primaryedcobook and Password: edco2020 and you can access the Explore With Me First Class book online where they have extra information on each Chapter)
- Handwriting Book p. 44 and p.45 (Letters Bb)
 - Spelling Worksheet Unit 14
 - Copy work. Put the 10 Spelling from Unit 14 into sentences. To challenge yourself, try to add in two adjectives into each sentence (look at the examples I have written in your copies). Draw a picture to illustrate some of your sentences.

Here are some extra ideas for you to do at home if you have the time...

*Here is a story called 'The Garden' which is a nice story about a frog who sows a seed and then comes up with some fun ideas about how he can mind the seed and encourage it to grow. Listen to the story, or try to read it along with a helper at home, and we would love if you would write to us telling us what you think of the story or draw your favourite part and send it to us on Class Dojo.

*Covid-19 Well-Being Journal!

Why not start a **Covid-19 Well-Being Journal**. You can draw your activities on a page and put it into a folder or maybe use a spare copy or notebook if you have one at home. I will be giving you ideas every week of nice activities you can do to help yourself and your family to feel positive, strong and happy!

Here is this week's idea:

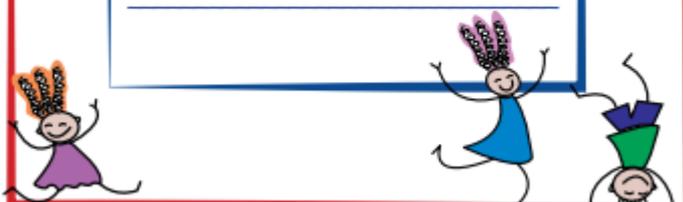

FEELING POSITIVE EMOTIONS!

Complete each of the sentences about all the things that make you have/feel positive emotions. Make sure that you do some of these every day! Then decorate the frame around it!

I feel calm when...

I feel proud when...

I feel grateful when...

Keep up the great work!
Ms. Bruen, Ms. Walsh, Ms. Flanagan & Sinead
