

Hi kids,

Here's a few more tasks to keep your brain working this week:

Master your Maths - Week 28 page 60 & 61

Tables Champion – Week 24 page 30

Handwriting Today – Review page 42 & 43

Explore with Me – *Examining a Map* page 67

Air Pollution page 71

Read with someone every day

Story here is a story to listen to and read along with

https://www.youtube.com/embed/6E67n1vZZjQ?cc_load_policy=1&cc_lang_pref=en

(or look up “Chris O’Dowd Storyline” on Youtube)

Listen to it again the next day and see if you can write the answers to these questions in your *Home Learning Copy*:

1. How many sprinkles did Arnie really have?
2. Where was Arnie made?
3. Name 2 things that happened to Arnie on the morning he was made.
4. What time did the bakery open?
5. Who bought Arnie?
6. What did Mr Bing want to do with Arnie?
7. Name 2 things Mr Bing could do with Arnie instead of eating him.
8. Why do you think Mr Bing and Arnie were sad when Arnie was leaving?
9. Name 2 places that Arnie passed when he was leaving Mr Bing's house.
10. Do you think a donut would make a good pet?

Writing

As a special piece of work this week we would love you to write a little note to your friends from school. I will post my one on Class Dojo as an example. When you send us your one we can share it with everyone in the class. We are all missing each other so it would be lovely to hear from everyone.

A photo of you doing something fun would make us all smile too!

Remember, Class Dojo is not a way for us to give you more work or to check your work. It is just a nice way for us to chat if we need to and for us to share fun ideas and activities with you.

It's also a much easier way to receive website links.

Take care,

Ms O'Hanlon & Ms McGrath
